

Heart Lake Couple Wins School Property Transfer

A Heart Lake couple, James and Diane Wilhelm, won approval last Wednesday night to transfer their property from the Crawford AuSable School District to the Gaylord Community Schools District.

The COOR and C.O.P. boards of education voted to allow the transfer. James Kolka and Garland "Bud" Joyce, COOR board members from Grayling, were the only board members to vote no on the transfer request.

The Wilhelms asked for the transfer of their small parcel of land after they found out it was located in the C-A School District. When they bought the land a clerical error showed the land to be included in the Gaylord district.

The Wilhelms have two sons who have attended Gaylord school since 1979 and allowing the children to continue attending Gaylord schools was a major reason the transfer was approved.

The loss of tax revenue to the C-A School District as a result of the transfer will be less than \$1,000 a year.

Crawford AuSable schools expect to hear in 6-8 weeks the outcome of a hearing on a request from about 70 Heart Lake property owners to transfer their land to the Gaylord district. The hearing was held in Lansing Tuesday, June 29.

Kids Canoe Race Set For Friday, July 23rd

The Grayling Area Canoe Livery Association is sponsoring a canoe race for kids between the ages of eleven and seventeen again this year. The race will be held the same day as the annual marathon canoe race, Friday, July 23rd, 1982.

There will be three age groups: 11 to 12 year old; 13 to 14 year old; and 15 to 17 year old. Awards will be given in each age group for 1st, 2nd, and 3rd places.

The race will start at the State Street Bridge in Grayling. The 11 to 12 year olds will start at 10:30 a.m., and finish at Louis Landing, a 10 mile run. The 13 to 14 year old group will start at 10:15 a.m., and also race to Louis. The 15 to 17 year old group will start at 10:00 a.m. and race to Stephens Bridge Landing, a 17 mile run.

Canoes to be used are 17 foot aluminum and paddles are to be no more than 8 inches in width. The standard Carlisle paddle and wooden paddles are the right sizes. No bent paddles will be allowed.

All the Grayling Area Canoe Liveries have agreed again this year to allow participants to use rental canoes for practice at no charge, on weekdays only. The participants are responsible for their own pick-up of the canoes for the practice runs. Canoe liveries will not make pick-ups without charge.

Competitors can sign up by contacting Mike or Kathy Lovely at Carlisle Canoes at 110 State Street. Permission slips must be signed by parents or guardians to be in the race. You must be signed up by July 22nd. A \$1.00 entrance fee will be charged per person.

Food Warehouse Opening July 15

The Super-Saver Food Warehouse will be opening Thursday, July 15, in Grayling at the West M-72 Plaza.

Jerry Vincent, director of store development, said the new store will feature prices up to 40 percent lower on grocery and retail items. The new store, which will hire 35 employees, will offer a large selection of meats and produce as well as the usual grocery store items.

The food warehouse will have five checkout lanes with modern scanners for faster checkout.

The store offers parking for 300 cars. It will occupy about 20,000 square feet in the 40,000-sq.-ft. shopping center located at the West M-72 Plaza. Store hours are 9 a.m. to 9 p.m. Monday through Saturday and 9 a.m. to 7 p.m. Sunday.

All-Star Line-up Named

The 1982 All-Star Grayling Little League team opens tournament play July 19 at 5:30 p.m. against Johannesburg-Lewiston at the Gaylord Little League field next to St. Mary's Church.

Four players were selected to the All-Star team from Millikin's, three each from McDonald's and Grayling State Bank, two from Weyerhaeuser, and one each from Jack's Diner and Gaylord State Bank.

Picked from Millikin's were John Schreiber, Dave Myers, Bud Ostrowski, and Kelly Chamberlin. Picked from McDonald's were Jeff Wolcott, John Kinnee, and Mick McNamara. Picked from Weyerhaeuser were Clark Allen and Rusty Argue. Selected from Jack's Diner was Terry Neilson and picked from Gaylord State Bank was Joe Ruddy. All-Stars from Grayling State Bank are Jeff Palmer, John Cross, and Pat Nunn.

Coaches for this year's team are Mike Shearer and Larry Ostrowski from Millikin's, Mick McNamara from McDonald's, and Rocky Tobin, from Grayling State Bank.

Range Firing Conducted

Range firing will be conducted at Camp Grayling during the period 6-20 July 1982.

Firing will be performed in the following range areas: The Small Arms Ranges located west of Lake Margrethe, north of Howe Rd., east of the gas pipeline and south of Portage Creek.

The Mortar Range located south of Main Post, bounded on the west by Cadillac Rd and on the east by Carrier Rd.

The Range 30 Complex located north of North Down River Rd, east of Jones Lake Rd, south of County Rd 612 and west of Damon Truck Trail.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97.

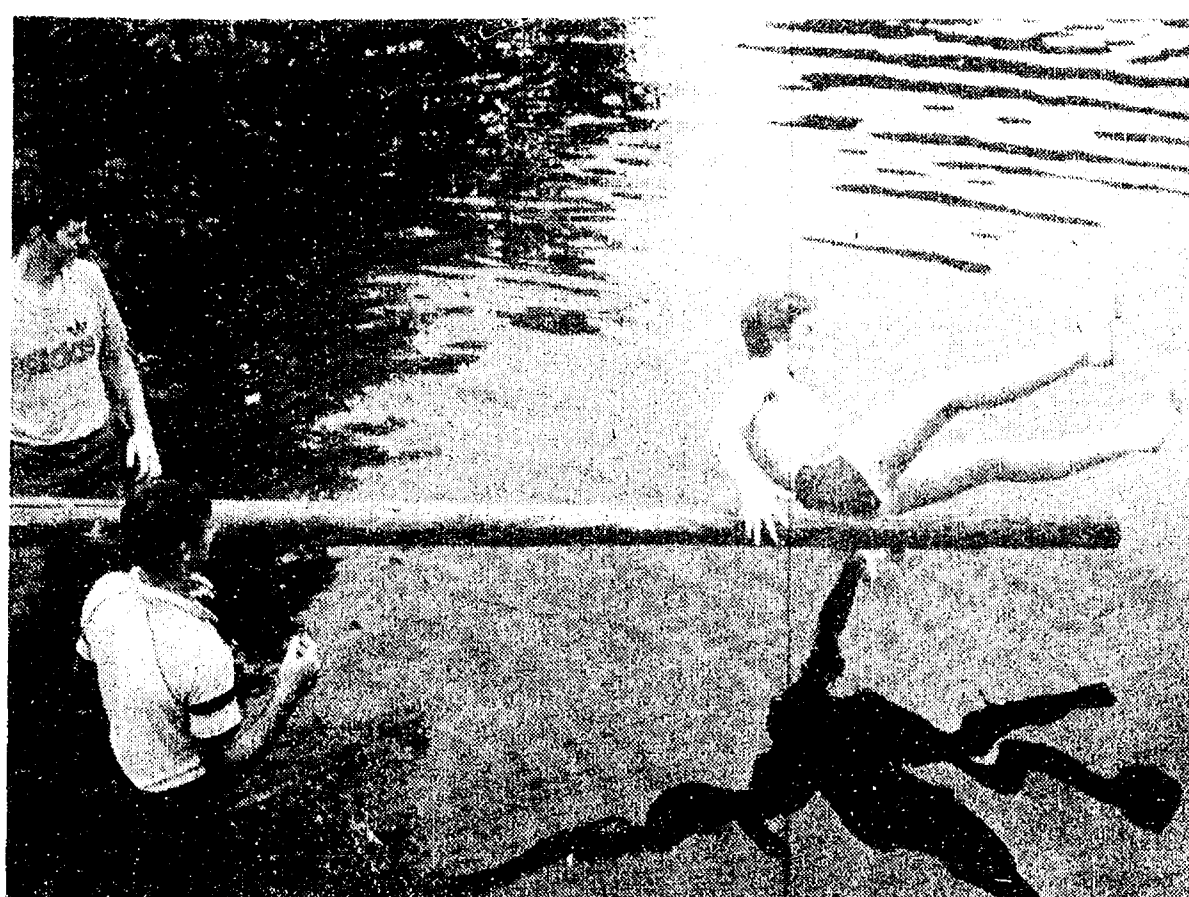

The ranges will be closed during the period 6-20 July 1982 and all persons are warned to stay out of the areas identified.

No Longer "The Ski Park"

Hanson Park Seeking Community Involvement

Bear Mountain, Hanson Hills or "The Ski Park", recognized as Michigan's first ski park, is no longer just that. Hanson Park is now a year-round community recreation. True, Hanson Park does not have a lot of the attractive apparatus found in many recreation areas, but just the same, it has a great deal to offer both residents and visitors of our community. The one thing which Hanson Park is lacking most is patrons, visitors, people who come out and take advantage of those things which the park does have to offer; and those park users are the next thing which Hanson Park must acquire if it is to continue to grow. With support and in-

Milltown Festival Features New Look

The Milltown Festival in Grayling scheduled for July 22-25 this year will feature several new looks.

Costumes from the lumber era will be worn by parade participants, merchants, and directors of events. Citizens will also be asked to join in and dress in milltown costumes.

Along with the lumber era costumes, special shoulder patches denoting Grayling as Michigan's Canoe Capital are now on sale at the Grayling Regional Chamber of Commerce, many canoe liveries, and area businesses.

The highlight of the festival will be the start of the world-famous AuSable River Canoe Marathon Friday, July 23, at 9 p.m. in front of Ray's Canoe Livery. The 240-mile non-stop race from Grayling to Oscoda brings racers and spectators from around North America.

A 10-kilometer foot race will be held Saturday, July 24, along with a mile and a half fun run. Also on Saturday, a Giant Garage Sale will be held at the Grayling Mini-Mail all day. Anyone wishing to sell items at the Giant Garage Sale should call 348-7337 for more information.

The Citizen of the Year will be announced this year during a potluck community dinner to be held at Hanson Hills Recreation Area. The dinner is a change this year and is aimed at making the affair financially feasible.

The citizen award will be made on the basis of nominations by individuals who write to the Grayling Regional Chamber of Commerce indicating why the person they select is worthy of the title. The form for the nomination is not important, according to C of C executive

secretary Debbie Branch. She said that simply listing qualifications on a card or letter will be sufficient. A committee will go over the nominations and research the qualifications of the persons cited for the post.

Mrs. Branch also noted that the program for the festival will be at the press earlier than ever this year in order to place it in the hands of the public far enough ahead so that they may make plans to attend.

Mrs. Branch said that a carnival will also be held this year in connection with the festival. It will be held on the side law of the County Building.

Chairperson for the Milltown Festival, Kay Lech indicated that plans for the program are progressing well and many new activities are in the "works" for this year.

Michigan Says "Yes" to Crawford County Land Use Inventory Grant

Due in large part to the alert and aggressive actions taken by the present chairmen of the Crawford County Planning and Zoning Commission, combined with quick and positive decisions by the Crawford County Board of Commissioners, Crawford County has become one of only four counties in the State to receive a State funding grant (totaling \$7,500.00) to provide monies for a County Land Use Current Inventory Survey. Mrs. Jeannette Kitchen, Chairperson for the Board of Commissioners announced receipt of a letter of confirmation from Land Resources Division of the Dept. of Natural Resources today.

The funds were originally researched through Public Act 204 (1979) by Garland (Bud) Joyce, Chairman of the County Planning Commission and Ed Rutkowski, Chairman of the County Zoning Commission. Both retired senior military officers recognized the vast potential usages of procuring color, infra-red

photographs already available from the State through P.A. 204. Such advanced, high technology photography can be of invaluable use for mapping forests by size, density, type of trees (deciduous or coniferous), wetlands, water pollution, streams, lakes, marshes, agricultural lands, accurate mapping of county and private roads and trails, strip development along highways, accurate surveying and land assessment and numerous other uses pertinent to the needs of Crawford County.

The County Board of Commissioners, acting upon the recommendations submitted, voted to spend the required local 25% of the necessary funding for purchase of color infra-red photographs of the entire county. The remaining 75% (\$7,500.00) was to be provided by the State for hiring a qualified consultant firm to map the county according to specifications set forth in P.A. 204. All map-

ping is to be done on a specific scale of 1/24000 so that eventually the State, using a three digit computer code, will have complete information described above for the entire state.

Problems developed following Crawford County's submission of a "Letter of Intent" describing the uses such mapping procedures would be of value to the county. State funding for this project was cut to a minimum. More than forty (40) other counties had also

Dirt Bikes Recovered by Sheriff Dept.

Two Honda 1979 XR-500 motorcycles stolen early Monday morning were recovered by the Crawford County Sheriff Dept. Monday afternoon and two juveniles are still being sought in connection with the theft.

The two dirt bikes, valued at \$1300 apiece, were taken from two lots in Pine Knoll where their owners, Michael Mendal and Ralph Swan, both from Lansing, were camping.

Sergeant William Heemer said the bikes were pushed through sand and over hills to Hanson Hills Recreational Area before the thieves started them sometime after midnight.

Following a tip from Heemer, the bike owners drove through Karen Woods later that day looking for the bikes. They spotted them and two juveniles and called the sheriff dept.

Sheriff deputies recovered one bike in the woods near Karen Woods and Heemer, following tracks by the other bike, finally found the motorcycle ditched along another trail road in Grayling Township.

The two juveniles are currently being petitioned but have not returned home yet as of Tuesday morning.

In other police news, a 22-year-old Grayling man was charged with careless use of a firearm following a shooting incident July 2. Sheriff deputies, responding to a complaint about gun shots in Pinecrest Subdivision, found five bullet holes in one house.

Budworms, Warblers Wild-Cards Tossed In Forest Management

By Jon Thompson

On one side of the board is the state of Michigan and wood-cutters in need of revenues from timber sales. On the other side, are Crawford County residents and tourists who dislike trees being cut. In the middle are local DNR foresters helping manage state forests.

Throw in jack pine budworms, Kirtland's warblers, and a large number of over-mature stands of trees and you've got a game equal to any put out by Parker Brothers or Atari.

Unlike the new video space games, however, this real life game needs to be played without blasting your opponent.

In Crawford County, the game board contains 175,000 acres of state land. Jim McMillan is the local DNR forester in the middle trying to protect recreational lands

while satisfying the wood industry, game biologists, and environmentalists.

McMillan probably wishes the game board was smaller because the rules require him to walk over each acre every ten years. The state lands in Crawford County are divided into more than 100 compartments that are managed on a ten-year rotation plan. Each different stand of trees in a compartment is checked by McMillan over the course of ten years and a decision is made by local, regional, and Lansing DNR foresters and biologists concerning management of the stand.

Recently three stands in the county were selected for harvest in areas that attracted attention.

One area was 12 acres along Old-27 North (I-75 Business Loop North) near the intersection of M-93.

Ohio Guard Stage Engineer Olympics

By Jon Freshman
196 Public Affairs Det.

The Olympics came to Grayling Friday. The Ohio Army National Guard staged an Engineer Olympics out at Camp Grayling Friday morning as part of their annual training exercises. Ohio Guard members of the 112th and 216th Engineer Battalions competed in a total of eight events that gave them the opportunity to prove their skills as heavy equipment operators

and Combat Engineers.

The event was a definite morale booster while at the same time being an excellent vehicle for individual and squad training. The competition included such things as the Dump Truck Course, the Bulldozer Course, and the High-line contest.

Ohio National Guard officers and senior enlisted personnel judged the events and acted as time-keepers. Each competition had its own point system and the

course requirements varied. The bulldozer operator, for example, was required to maneuver the 26-ton leviathan through an S-shaped course. The course markers allowed only 12 inches of clearance on either side of the machine.

Second Lt. Chris A. Kieswetter, of Ohio's 112th Engineer Battalion, had only one complaint as an official of the Engineer Olympics. "At Camp Grayling it is im-

Mission Accomplished For Project C.H.I.L.D.

When Crawford AuSable schools were forced to close school libraries as part of its 1981/1982 austerity program, several local citizens formed a committee (C.H.I.L.D., an acronym for Children Hoping for Interim Library Dollars). The group, comprised of Mrs. Rose Duley, Mrs. Claudia Delp and Garland "Bud" Joyce, Chairman, met with Dr. Wm. Diedrich, Superintendent, to determine the amount needed to open libraries at all schools, at least on a part time basis, using the services of a professional librarian and trained library aides. The sum of \$3,000.00 was determined a necessary minimum.

The committee, working without fanfare or subsidization from any group, soon found support and financial

assistance from several sources. Mr. Ron Fraser, owner of Grayling Holiday Inn generously donated proceeds from a well attended swiss steak dinner to Crawford AuSable Schools. C.H.I.L.D. realized a portion of this gift. Other donations, large and small were received from individual citizens. Mrs. Delp conducted auction programs that were profitable. Another most valuable, continuing source of income came from a coupon collection and redemption program instituted by Mrs. Debbie Hoyt

at Grayling Elementary School. Mrs. Hoyt's program proved successful to the point where it may be continued in 1982-83 for the elementary school library program.

Recently, Dr. Diedrich announced that library programs at all schools will be reinstated for the 1982-1983 school year. Further good news was recently divulged by Mr. Dale Nicholas, Principal of Grayling Middle School, who stated that 3,000 of the 4,000 middle school library books, obtained by

volvement by residents and visitors, in the future Hanson Park will be able to have some of that apparatus which at present it is obviously lacking.

However, a visit to Hanson Park can still be rewarding and relaxing. Presently visitors to the recreation area can enjoy nature at its best, either on foot on one of the several nature trails, by yourself or with a guide, or by water, floating in a canoe or enjoying a ride on a pedal boat. If something just a bit more energetic is your idea of recreation, you might try basketball, or volleyball, or perhaps a friendly game of horse shoes. For those golfers of the area, Hanson Park has a driving range and, for those who want to try something just a bit different in the game, Chuckie Golf. Inside the building, you will find a refreshment stand and a small arcade.

Hanson Park is no longer "The Ski Park", it's a year-round community recreation area, and all it needs is you. Your patronage of the park will ensure two things, that you will enjoy your outing at the park, and, that your support will enable Hanson Park to continue to grow into an area we can all enjoy and be proud of, and in addition, will be a viable economic asset to our community.

Ginther, Lovely Top Shooters in William Golinick Memorial

Gary Ginther and Dave Lovely were the top two shooters in the third annual William Golinick Memorial shoot sponsored by the Crawford County Sheriff Department.

Ginther earned top honors with a 247 but Lovely, close behind with a 245, helped his team capture the William Golinick Trophy. Ginther led a team of ten Crawford County Sheriff Dept. Reserve members. Lovely had the top score among 12 regular deputies of the sheriff dept.

The top three scores for the deputies and reserve were taken and totaled with the deputies narrowly retaining the trophy with a 724 total to 723 for the reserve.

Behind Lovely's 245 was Warren Hatfield with 241, and Tom Coors and William Heemer with 238 each. Behind Ginther's 247 was Al Newell with 243 and Raxann Adams with 233. The scores of the top ten shooters for the deputies were 2281 to 1918 for the reserve.

To Hold Boat Safety Classes.

There will be a Marine Boating Safety class held on July 8th, and July 9th, 1982 at the Grayling Fire Barn located on James Street, Grayling. Classes will start at 9:00 a.m. and run to 11:00 a.m. Children 12 years old or older are urged to attend. Adults are welcome.

If you need further information, please feel free to call the Crawford County Sheriff Department 348-6341.

Timber

(Continued From Page 1)

All jack pines 10 inches in diameter and bigger were cut there to try to save the younger jack pine from the budworm, McMillan said. The older trees make the entire stand more susceptible to budworm attack.

In May, while the site was still being cut, the slash and tops left a brown, dismal appearance along the roadside. In June, when the cutting was completed, the slash had been moved back away from the road and new green growth was taking over giving the site a better appearance.

"Three extra requirements were placed on the permit allowing cutting there," McMillan said. "All tops and slash had to be moved back 100 feet from the highway and scattered, no leaning trees could be left, and stumps could not exceed 6 inches so they wouldn't be easily seen from the road."

McMillan said the woodcutter had some difficulties with his machinery at the site thus it was not cleaned up immediately after cutting but it was cleaned up two weeks before the deadline on the permit required it to be.

The second area was 14 acres along M-93 about a mile from the first site. The area of mostly mature jack pine and red pine was clear-cut to allow jack pine seedlings planted in the area the year before to grow. The DNR allowed Champion of Gaylord to cut only in the wintertime when the heavy snows would protect the seedlings.

Usually the DNR leaves a buffer strip of trees along a road when it allows clear-cutting. McMillan said at this site, with a red pine plantation and a swamp bordering the area of mature trees, the stand was too small to leave a wide strip of trees along the roadway.

The third site was a large number of mature aspen and oaks cut near the south end of K.P. Lake.

Along the lake, McMillan said a 300-foot to 600-foot strip of trees were left to preserve the beauty of the lakefront.

"You can not see cutting from a boat from anywhere on the lake," he said.

He also said a nearby resident at K.P. Lake concerned about the cutting called her legislators and as a result two DNR officers from Lansing checked the cutting area. They found no problems with the cutting plan.

Revenues from timber sales, such as the three above, go into the state's general fund. McMillan said

June timber sales in Crawford County will net almost \$150,000.

But he added that the market is flooded right now and Crawford County will never reach its allowable cut limit. Don Torchia, Unified Area Forest Manager for Crawford and Roscommon, estimated last year only 50 to 65 percent of the state owned forests in Crawford County ready to be cut were harvested.

He said the state is losing money because it can't cut all the trees ready for harvest.

"Timber isn't like having money in the bank," Torchia said. "It doesn't bring in more money the longer you let it sit there."

"Over-mature trees rot in the middle and begin to fall over in a few years. They lose their value very quickly."

Many of the oak, aspen, maple, and jack pine stands in the county are 55-60 years old - right about the best age to harvest on our soils.

Hardwood areas will often be clearcut and jack pine areas will usually be cut and then burnt.

"If a healthy aspen is cut, the root system from that one tree will send up a 1000 sprouts for 100 feet around the stump," Torchia said. "Let the tree grow old and fall over and there will hardly be any new sprouts coming up."

"Oaks are similar," Torchia, "and as for burning jack pine, it's the best way to pop open those cones and prepare the soil for the seeds."

From Our Corner ...

No one could ask for better weather than what Grayling and the surrounding area experienced over the long Fourth of July weekend...except for one mar...the rain that came Saturday evening and washed out the planned fireworks display at the city park, that really didn't matter as our area needed the rain and the Booster Club members postponed it until Sunday night which turned out perfect...the all day activities at the City park had perfect weather...and all the Booster Club members who worked on it deserves a tip of the derby for another fine Fourth of July celebration...

Once again we are in receipt of a Letter to the Editor, signed an Understanding Citizen...all letters must be signed (not typed, or printed) with the writers address and telephone number to be even considered for printing, we normally just pitch the letter in file 13 when we find it has no signature or address, like the one we speak of here, we will be glad to print this letter if the writer will come into the office and sign it...we reserve the right to edit any letter and if we find it possible libelous or slanderous we will not print it, we are as libel as the writer if it goes into print...

We encourage letters to the editor that are constructive criticism...give ideas to what our area is all about and of which new ideas may help the progress of Crawford County, even in these critical times in our economy...but please follow the rules, signature, address and phone number...

Our Traverse City family spent the 3rd with us so T.J., and Stefany could take in the activities in the park...they even brought their pony this time...they left Saturday evening so they could go up to Elk Rapids on Sunday to spend the day with grandma Dyke, and take in the festivities of the Fourth there...we talked to Dane and Cyd and Amber the other night and they report everything is fine out in Nevada except the heat, it was only 105 at the time we talked to them, about 5:30 their time...this is our family report for this week...

We forgot to mention above that the Grayling Fire Department gives a big assist in the fireworks...the shooting and protection of the area where the fireworks land near the pond of the AuSable...so, to the volunteers a tip of the derby from Our Corner...Grayling has had the finest fireworks display in the last several years in northern Michigan...due to the Boosters and Firemen...

We're going to cut this week's Corner short...there's been too many Sundays this week, and we're all fouled up with the days...we have just one day to wrap up this issue, so we will be on time as always...we will say goodnight T.J., Stefany and Amber to all our readers we hope you had a nice 4th of July holiday in celebrating our country's birthday...summer is here enjoy it...

The Bible Speaks

From Calvary Baptist Church

The Obligation of Sanctification

Romans 8:12-17

Because of the benefits of our Sanctification through the Holy Spirit, we are obligated to be faithful to Him. The old nature or the flesh has done nothing for us to merit our favor. "Therefore, brethren, we are debtors, not to the flesh, to live after the flesh. For if ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live." Romans 8:12, 13. There is a sin unto death for the Christian. I John 5:18 The Christian who does not deal with sin in his life will be judged of God so he will not be condemned with the world. I Cor. 11:30-32.

The answer to sin is to "mortify" or put to death the practice of fleshly sin.

As sons of God we are in the family of God and are obligated to obey the Spirit of God. "For as many as are led by the Spirit of God, they are the sons of God." Romans 8:14. Sons in a family are obligated to do the will of their father.

God has not placed us in bondage as servants, but has adopted us as adult sons with full spiritual benefits. "For ye have not received the spirit of bondage again to fear, but ye have received the Spirit of adoption, whereby we cry, Abba, Father." Verse 15. "Abba" is a tender term for "papa". We are obligated to our

heavenly Father who has adopted us and given us an intimate relationship with Him.

God has sent His Holy Spirit to dwell in our hearts and bear witness within that we are the children of God. "The Spirit itself beareth witness with our spirit, that we are the children of God." Verse 16. This witness of the Holy Spirit to the Word of God in our hearts is motivation for our service.

God has made us heirs because we are His children. He has made us to be joint-heirs with His Son, Christ Jesus. Due to our family relationship with God, He has promised us an eternal inheritance. Peter tells us a little more about this inheritance: "To an inheritance incorruptible, and undefiled, and that fadeth not away, reserved in heaven for you, Who are kept by the power of God through faith unto salvation ready to be revealed in the last time." I Peter 1:4, 5. God has promised us an eternal inheritance reserved for us in Heaven. God has promised to preserve or keep us until the end that we may be sure of receiving that which He has reserved for us. What a great God we worship! What obligations we have to fully yield our lives to the complete control of His blessed Holy Spirit for all our Sanctification. "And if children, then heirs; heirs of God, and joint-heirs with Christ..." Verse 17a. (adv.)

More Mayfly Madness

Now that the heavy Hex hatches are part of the nightly fishing scene the stories are really heating up around our morning coffee table. Most fishermen prefer to use either our fine spent fly patterns, or some opt for the ever-deadly hatcher imitation, and a morning doesn't pass when the best fishing story of the previous day isn't bettered.

This Saturday our guest tyer is Bruce McGuire of Grayling. In addition to being a marathon canoe racer, Bruce also ties some of the deadliest big flies in the area. He knows where to fish and how to get that maximum, life-like big fly float over even the trickiest of currents. Stop by for a good cup of coffee, a chance to talk with Bruce and the opportunity to tell your own fish story.

Plants Grown in Old Shoes To be Displayed at Ag. Expo

East Lansing—Almost any container can become a blooming garden - even an old pair of shoes!

Shoes, crates, buckets, old watering cans and wheelbarrows will be among the many household containers sprouting garden crops during Ag. Expo, July 20-22 at Michigan State University.

The containers and plants will be displayed at a special container gardening exhibit in the horticulture portion of Ag. Expo.

"People who live in apartments or have small backyards and patios but still want to grow plants can grow about any garden crop in many kinds of containers," says Harold Davidson, MSU horticulturist.

The primary requirement is that the soil or growing medium be porous enough to allow air to reach the plant roots.

"Field soils aren't the best-a mixture of coarse sand and soil provides better aeration," Davidson says. "Without the proper mixture of soil, there will be poor root growth and poor plant performance."

The horticulture exhibit will include plants grown in bales of hay, small plants grown in dish containers, fruit trees grown in buckets, and large trees grown in larger containers. Hanging baskets will also be displayed, including hanging baskets of grapes recently developed by graduate student Lynne Crankshaw.

Scott Named Bear Archery Marketing Head

GAINESVILLE, Florida—Frank Scott, veteran archery marketing specialist has been named Director of Marketing of Bear Archery Division, Kidde, Inc., according to an announcement by Robert F. Kelly, President of the recreational products company based there.

Scott first joined Bear Archery in 1940 and next to founder Fred Bear is Bear Archery's longest tenure employee with experience in nearly all areas of Marketing and Production. For many years a field salesman, Scott's last dealer territory was in the Connecticut, New Jersey, Massachusetts and New York area. In 1974 he moved to Grayling, Michigan to run the Fred Bear Museum and the Fred Bear Sporting Goods Marketing Institute.

A life-long archer and bowhunter, Scott participated in the First National Field Archery Championship in 1946 and for the next 15 years placed in the top ten shooters at the National Championships.

After marriage she spent some time in Germany with her husband and she said, "Most people bring home a cuckoo clock from Germany...I brought home twin sons". Marge returned to Indiana where she owned and operated a bar and restaurant with her husband for five years.

Recently they moved to Michigan and Marge is a sales person with State Wide Realty in Houghton Lake. Our guest speaker for the evening was Beverly Cuthbert, director of Crawford County Social Services. Ms. Cuthbert showed a film on child abuse and neglect. The theme of the film was that people can have an impact on child abuse and neglect and that they should not be afraid to report suspected cases.

Members voted on the Grayling Charter Chapter Woman of the Year. Chairperson, Sally Wert, said the committee had a difficult time narrowing the field to three members this year because there were so many eligible candidates.

The membership voted on the three finalists and the honor this year goes to Betty Bennett. Betty has been a member of the Grayling Chapter for the past eight years. She has been president, vice president and chairperson of many committees. Betty has been active in community affairs since she and her husband moved to Grayling nine years ago.

She has worked on the Milltown Festival, Winter Festival, and Miss Grayling pageant committees. By winning this honor Betty is eligible to compete for the ABWA National Woman of the Year.

Our Torchbearer (TFE) committee has been very active. Chairperson, Bonnie Donnelly and Betty Bennett appeared on the Northern Michigan Morning show on Channel 9 & 10 on Monday, June 14th to publicize an organizational meeting to be held in Traverse City on June 17th. Another meeting is planned for July 13th. Our goal is to start a chapter of ABWA in the Traverse area. Our Grayling chapter is going strong and we have made many new friends.

The next meeting will be held on July 20th at Hanson Hills. Watch your bulletin for further details.

Women's Club To Meet

The Christian Women's Club of Houghton Lake and the surrounding communities will hold its monthly luncheon at the Holiday Inn of Houghton Lake on Tuesday, July 13, 1982, from 12:30-2:30 p.m. Please note the change of time of the luncheon.

You are cordially invited to attend this luncheon. The theme will be "Freedom...". The Special Feature will be "Freedom through Travel", presented by Jim Stange of American Tours located in Gladwin.

"Freedom through Music", musical selections will be presented by Robert Bristol. The speaker, Mrs. Robert Bristol, from Pigeon, MI., will be sharing "Freedom through Forgiveness". Robert and Goldie's daughter Diane, was raped and murdered. Goldie, a wife, a mother and an author will be sharing with honesty and sensitivity the story of her daughter's life and death-how the family coped with their grief and the valuable lessons they learned from their experience.

Come and enjoy these features and the Holiday Inn's beautiful garden atmosphere and delicious buffet luncheon for just \$4.50.

Northwood Symphonette at Roscommon

On Saturday, July 10, 1982, Northwood Symphonette will perform at the Roscommon High School at 8:00 p.m. The concert will climax a day of arts and entertainment at Wallace Park and downtown Roscommon. This is the first year the Roscommon Arts Festival and Northwood's

concert are scheduled for the same day.

Northwood Symphonette is considered a "World Class Orchestra". It is comprised of 35 adult professional musicians who hail from several states and Europe. These virtuoso musicians have appeared with such celebrated soloists as Lorin Hollander, Youri Egorov, and the Canadian Brass. Led by guest conductor Aaron Copeland, the symphonette performed the television

premiere of Copeland's "Tender Land" on PBS's "Opera in America". In New York, the symphonette gained important publicity through a concert at Lincoln Center. The New York Times described their concert as "conscientious, neat, spirited and diverting...an arresting performance."

Under the direction of internationally acclaimed artistic director/conductor Don Jaeger, the symphonette will be playing Beethoven's Symphony No. 1

in addition to works by Mozart, Milhaud and Britten. Special soloists are tenor Glenn Siebert and William Coffindaffer, horn.

Glenn Siebert is from Chicago and has received national recognition. Recently he recorded with the St. Paul Symphony on a national label. The recording includes the selections he will sing in Roscommon.

William Coffindaffer, former faculty member at Interlochen, is a graduate of the Royal Flemish Conservatory of music in Antwerp, Belgium. He won diploma first prize in horn and chamber music with great distinction from the conservatory. He is presently a member of the osnabrucker symphonic orchestra in West Germany.

The brass section of the symphonette will perform in Roscommon's Wallace Park on Saturday at 2:00 p.m., providing a musical appetizer for the evening fare. Tickets will be on sale at the park on Saturday and are also available at Northern Drug, Roscommon Hardware and Gifts, Pine Pantry (Higgins Lake), Hunts Drug (Houghton Lake) and Flowers by Josie (Grayling). Tickets are \$6.00 for adults, \$4.00 for students and seniors, and \$20.00 for a family.

The symphonette will present more than 10 concerts throughout Michigan during the 1982 Festival of the Lakes. The local concert is sponsored by the Roscommon Chamber Music Society-Arts Council.

Art Festival Means Fun

Saturday, July 10, from 9:30 a.m. to 6:00 p.m. brings the second annual Roscommon Arts Festival to Wallace Park on the AuSable River and the Business District of Roscommon, Michigan in the heart of Michigan's vacation land.

Sponsored by the Roscommon Chamber Music Society-Arts Council and the Roscommon Business Association, the Roscommon Arts Festival offers one of the area's outstanding summer events.

Over 100 artists and craftsmen will be set up throughout town and in the adjacent park exhibiting and selling paintings, pottery, prints, photographs, stained glass, sculptures, quilts, hand-made dolls, wood items, and much more. Artists located in Wallace Park have been juried for quality and are competing for prize money to be awarded at a ceremony at noon.

Throughout the day, free entertainment will take place at various locations. Featured will be: The Northwood Brass Quintet, several folk guitarists, Tom Stoneman playing Classical Guitar, Square Dancers, Blue Grass Music, Cloggers, Story Telling, Poetry Readings by Mid-Michigan Writers, entertainment for children provided by Kirtland Community College's Theatre Class, Games, a Paint area for children courtesy of the Roscommon P.T.A. and Co-op Nursery, plus Clowns and Jugglers.

Several concession stands will be set up that day and the First Congregational Church will host an old-fashioned Pie and Ice Cream Social. AAUW will have a Used Book Sale and plants will be available from the Kirtland Garden Club booth.

Circle 13 C.B. Club is sponsoring a 50/50 drawing; a drawing which will earn the winner 50% of the total ticket sales, with the remaining 50% going to benefit the Roscommon Arts Festival. Tickets are \$1.00 each; the drawing will be held at

Wallace Park at 6:00 p.m. July 10, and the winner need not be present to win. Tickets may be purchased in advance from Circle 13 members, and the day of the Festival at the Circle 13 Concession Stand.

The day's activities will culminate with a performance by the Northwood Symphonette of Midland at 8:00 p.m. at Roscommon High School Auditorium. Featured will be the music of Beethoven, Mozart, Milhaud and Britten, with tenor soloist Glenn Siebert. Tickets are \$6.00 for adults, \$4.00 for Senior Citizens and Students, and a special Family rate of \$20.00, and are available in advance from the R.C.M.S.-Arts Council, at the Arts Festival, and at the door.

Come join the fun in Roscommon on July 10 at the Roscommon Arts Festival. We have something for everyone.

For further information, write to R.C.M.S.-Arts Council, P.O. Box 88, Roscommon, Michigan 49853.

Mortgage Sale

Default having been made on the part of the mortgagors in the terms and conditions of a certain mortgage given by GARY L. SMITH and BARBARA J. SMITH, husband and wife, to United Federal Savings and Loan Association, bearing date the 26th day of September, 1977 as recorded September 28, 1977 in Liber 163, Page 369, Crawford County Records.

Because of said default, said Association by virtue of the option given it in said mortgage, has heretofore, and does now, declare the entire principal sum secured to be paid by said mortgage to be due and payable, and there is now claimed to be due and unpaid thereon the aggregate sum of \$29,556.25 Dollars and, as of the date of the sale, the sum of not less than \$29,760.32 Dollars and no suit or proceedings having been instituted at law to recover said sum, the debt remaining secured by said mortgage, or any part thereof.

Therefore, by virtue of the power of sale in said mortgage contained, which has become operative by reason of said default and the statutes in such case made and provided, notice is hereby given that said mortgage will be foreclosed and the premises described therein sold at public auction to the highest bidder, by the Sheriff of said County, on the 4th day of August, 1982, at ten o'clock in the forenoon, at the front door of the Courthouse in the City of Grayling and County of Crawford, Michigan; said Courthouse being the place of holding the Circuit Court for said County, which premises are situate and being in the Township of Grayling, County of Crawford, State of Michigan, and described as follows: Lots 1 and 2, Block 2, KAREN WOODS SUBDIVISION.

The period of redemption is six months.

Death Penalty Question May Reach November Ballot

Warren M. Hoyt, Executive Director, MPA

Petitions backing the proposed death penalty amendment are nearing the minimum signature requirements to make it on the November ballot, reports its chief backer L. Brooks Patterson, Oakland County prosecutor and Republican candidate for governor.

He added, however, that it appears unlikely the drive will have as much "cushion" as he once hoped in making allowances for invalid signatures.

Patterson reported an initial count of petition signatures that have been returned to his office showed about 285,000, just under the 286,722 required.

He said he initially wanted a 10-15 percent cushion, or somewhere around 320,000 signatures, but noted he did not think he would reach that figure now.

Since the shooting death of a Michigan State Police trooper and the multiple murders earlier this year of three families, he said interest has picked up, and 50,000 petitions have been sent out in the last few weeks.

He wants all petitions back by the end of the month so backers can weed out as many invalid signatures as possible prior to the July 6 filing deadline.

The proposed amendment would seek to impose for the first time in Michigan a death penalty removing the constitutional ban against the punishment. It would apply to first degree murder, at the discretion of a jury, and leaves the method of execution unspecified.

At least 11 other constitutional amendment proposals had been shooting for the July deadline, but one of those has already conceded failure.

It was backed by another GOP gubernatorial candidate, Lieutenant Governor James Brickley, and would have provided for the appointment, rather than election, of members of the state Supreme Court,

Court of Appeals and the State Board of Education and the boards of the three largest state universities.

The proposal collected fewer than 150,000 signatures, and backers said voter interest was distracted by other issues.

The other petition drives include several tax cut proposals, on requiring a part-time Legislature and one providing for an elected Public Service Commission.

The Michigan State Police Troopers Association has already successfully filed signatures on a proposal setting minimum staffing requirements.

A proposal to drop the legal drinking age to 19, from 21, may also make it on the ballot, using as a base 290,000 signatures collected two years ago. Backers will decide soon whether to get a few more signatures and file the proposal for the November ballot.

Students Give Schools/Teachers Good Grades

An extensive poll of Michigan students, conducted by the State Board of Education, indicates that students are generally happy with their school, think teachers and principals are doing a good or excellent job, school finances and getting millage issues passed pose the biggest problems for school districts.

Schools, however, said the local school systems do not place enough emphasis on programs for gifted and talented, counseling for career preparation and attention to individual student needs.

They also said more emphasis should be placed in the area of training students in computers and other electronic technologies.

Areas of particular concern expressed include curriculum deficiencies, a lack of career and educational guidance, school finance programs and reduced extracurricular programs and activities.

Fishing for Nostalgia at The Old AuSable Sport Shop

FOCAL POINT—Bob Smock, Sr., left, Tim Neal, one of Smock's expert local fly tyers and Bob Smock Jr., right, pose in front of the Old AuSable's prized photograph: Rube Babbit landing a huge fish below Stephan Bridge taken in 1930. (Michael Delp photo)

EXPERT AT WORK—Bob Smock puts the finishing touches on a special AuSable fly pattern. (Michael Delp photo)

By Michael Delp

I drink the coffee slowly, listening to the talk around the oak table. The air fills with the language of fishing. Stories are told. People stretch their truth into fiction and the proprietor slips between us, coffee pot in hand pouring us refills. If I was 80 instead of 33 I'd want to come in here every waking moment just to sit and talk trout fishing. This is a place where trout fishermen can hang out; a place where you always walk out with more than you had when you came in.

You gain this extra ballast either in the form of newly purchased trout fishing gear or in the wisdom offered by Bob Smock, Sr. This is his place, the Old AuSable Sport Shop. Call it instant nostalgia or a fisherman's mecca with a museum blended in. The walls are covered with old photographs of days when daily catches of thirty and forty trout were not uncommon. Over Smock's fly tying bench which is in a corner of a front window is a huge enlargement of Rube Babbit, one of Michigan's first conservation officers. The photo, taken in 1930, is the focal point of the shop which Smock runs with his son, Bob Jr.

Smock began his working career in the 40's as a clerk for Dad Hanson in this very store. Then, he worked twenty eight years at Bear Archery and started his own archery business after Bear moved to Florida. Now, he spends a good deal of the business day seated in front of the front window tying flies. Yet, once the table fills with listeners and storytellers, he sits among us.

For Smock and his son the store is an attempt to "show an interest in the area related to the idea that these people of the past, the ones in the photographs, had the same interest in the river that we do now. They wanted to preserve what they had here."

Smock is concerned for the well-being of both the Manistee and the AuSable. "There's a lot of pressure from all river users", he says, "but it's a commodity everybody has a right to use."

Once you get him at the coffee table he will cover any subject related to trout fishing. He's dead opposed to no-kill regulations, and offers the viewpoint that most people favor no-kill only if it doesn't apply to the section of the river where they own property.

Past the issues and the concern for river regulations lies Smock's deep interest in fishing. In the summer months he fishes six nights a

week, usually on the North Branch, using his own patterns or those which have been passed down by generations of legendary river guides and local fishing experts. "Fishing is the most relaxing sport in the world", he relates. "You can have the most hectic day there is and go down on the river and start throwing a fly around and all you're thinking about is having something come up and gulp it down."

The table fills up and I move over, then finally offer

my place to someone else. It would be easy to call what goes on here a simple activity, possibly filled with the old sporting magazine cliches of "Me and Joe" fishing stories. Nevermind that I am surrounded by all types of river characters. This is a haunt of river characters and the men squinting down at us from the old photographs are only watching the development of new characters who will eventually take their places on the walls.

Call it ambience, the way

7 Crawford Co. Avalanche

Thurs., July 8, 1982

the atmosphere of this place seems to surround you. There is the sense that once here, you are close to the river. This is a place to come to and talk to someone who knows trout fishing and the art of fly tying. You can stretch out here and tell a story, weave it into a fable, a story of the biggest fish in the most secret place. Bob Smock will laugh, refill your coffee, then throw a freshly tied fly in front of you and a new story starts all over.

possible to make mud," he said. Lt. Kieswetter admitted that this was not a real complaint because the abundant sand gave the equipment operators the chance to practice over very different terrain than what they are used to in Ohio.

A special feature of the Engineer Olympics was that no senior or experienced operators participated. The competition was a proving-ground for the junior enlisted troops.

Trophies and awards were presented to the successful and outstanding competitors.

Mr. Joyce from a downtown school district at no cost to the district, are shelved and in place for use by students in the fall. The remaining 1,000 books will be placed on display when new shelving becomes available.

The final check for \$590.00 was presented to Dr. Diedrich by Mrs. Duley on June 23, 1982, one week prior to the C.H.I.L.D. self-imposed deadline of July 1st. At the Crawford AuSable Board of Education meeting held Monday, June 21st, Mrs. Kathy Burkley, Board President, presented Mrs. Duley and Mr. Joyce with a plaque expressing the Board's appreciation to C.H.I.L.D. The plaque will be hung in a prominent place in the Crawford County Library as a permanent tribute to those citizens who firmly believed that the first of the "Three R's" should continue to be a most integral part of our school curriculum for all years to come.

Maps

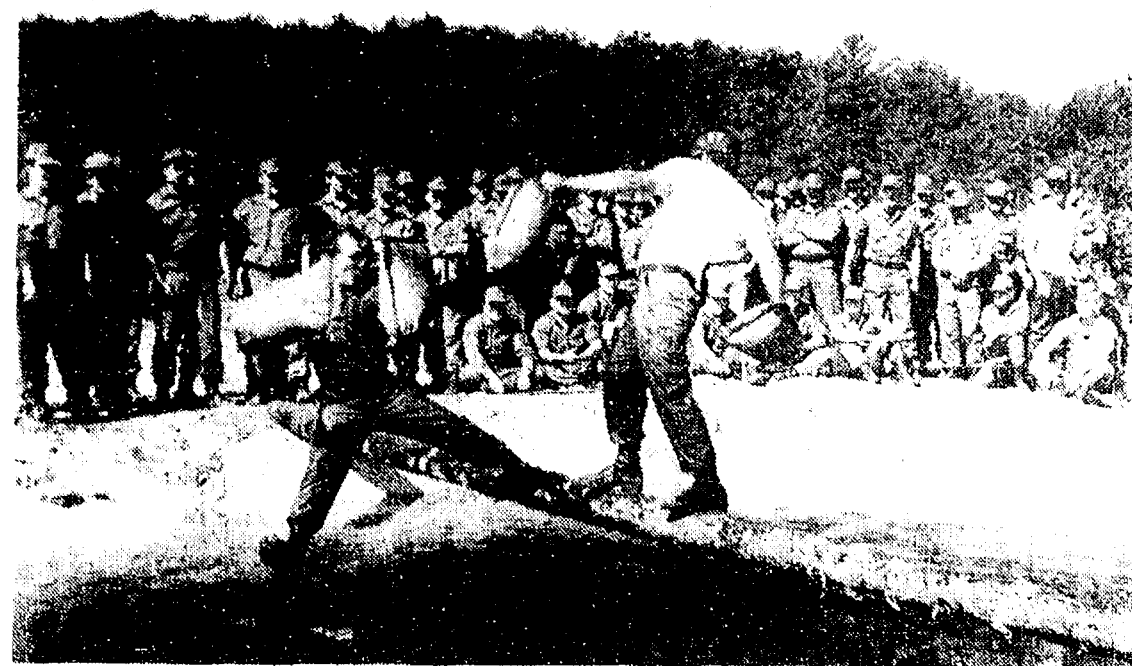

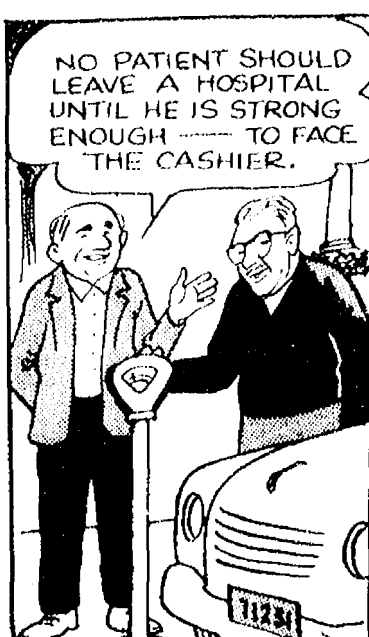

(Continued From Page 1)

submitted applications. Final funding amounts left enough money to provide the State 75% funding for only four counties. After several months of anticipation and regularly checking Lansing sources, Michigan finally said "YES" to Crawford County.

During this interim period, Mr. Joyce sought out and obtained the names of consulting firms capable of and authorized to perform stereoscopic mapping of infrared, color photographs in compliance with stipulations set forth in P.A. 204. A draft contract was drawn up allowing all work required to be performed at a cost not to exceed the \$7,500.00 state grant. The County will retain the base maps, all mylar overlays depicting the various natural and man made objects from the photographs, and will, of course, retain possession of the color infra-red photographs for future use. The information that can be obtained from this type photography is almost limitless. Should future grant monies become available, the photographs can be further used to determine such minute details as size of trees, explicit soil conditions and numerous other uses.

Mrs. Kitchen stated, "The County is now on the threshold of leading the entire state in this valuable, high technology project. The enthusiasm and optimism of Mr. Joyce, Mr. Rutkowski and the Board of Commissioners has made this valuable tool a reality. Actual mapping should begin within the next month and completed before the end of 1982. This exciting project can serve as a guide for future prosperity in Crawford County for years to come."

On June 17th Stanley and Liberty Wilcox had their 3rd daughter, Sherie Leigh. She weighed 6 lbs. 14 ozs. and was 19 inches long. Her other two sisters are Shanda Leigh and Shaston Leigh. They are stationed at Clark Air Force Base in the Philippine Islands. Grandparents are Mr. and Mrs. John Wilcox Jr. of Grayling and Aurora Esp-jaho from Chicago.

Jill Wyman, Sue Hayes, Winnie Riddle and friend of Gaylord attended the quilt show in Mt. Clemens on Sunday, June 27 at Lutheran High North.

Penny Winslow of Cincinnati came to get her parents, the Bob Winslows, and took them back for a two week visit. She brought them back home again, also. Fourth of July weekend guests were another daughter and family, Joe and Pat Fleagle and Geoffrey, of Chicago Ridge, Illinois.

Dawn Wyman is employed by Concordia College in Ann Arbor for the summer. She spent the 4th of July weekend with her parents, Dave and Jill Wyman.

Richard and Winnie Lepsy, Joshua and Jacob, of Virginia Beach, Virginia, are spending a week over the Fourth visiting their families, the Paul Juntillas, and Jackie Lepsy, and other relatives.

John Juntilla is home from Kalamazoo College and is employed with the Schaffer Bread Company again this summer.

Rick and Vicki Sadler and family moved to Sault Ste. Marie where they have Sadler Motors, Olds and Chevrolet dealership. Their daughter, Jennifer, spent a week with her grandparents, Bill and Phyllis Scheer, and her parents came the weekend of June 25 to get her.

Laurie Scheer is attending summer school at Ferris State.

Kelly Fortino and her daughter, Amanda, of Paris, Mi. spent the weekend of the Fourth with her parents, the Bill Scheers.

Mr. and Mrs. Bud Bartell and son, Brad, of East Lansing spent Father's Day weekend at the home of his parents, the Carl Cartell's.

Mr. and Mrs. Rick Anglebrandt and daughter, Shannon, have moved to Gainesville, Florida. They would like to hear from their friends in Grayling. Their new address is 5800 S.W. 20th Ave., Apt. G-1, Gainesville, FL 32607.

Mr. and Mrs. Jack Rushton are enjoying a visit from their grandsons, George, 10, and Thomas, 7, sons of George and Pat Rushton of Warren. George honored the Senior Citizens with an organ recital on Thursday evening after dinner, and played the organ at Cedar Pointe on June 12th for the International Music Association taking a first and second place.

Trout Unlimited Meeting

The local George W. Mason Chapter of T.U. held their annual membership meeting on June 26, 1982 at Chief Shoppenagon Motor Hotel.

The election of four members of the Board of Directors to replace out-going members was announced. William Koernke was re-elected with Charles Spencer, Gail Madsen and Cal Gates, Jr. elected as new board members. Out-going board members, Messrs. Failing, Fellers and Wert were applauded for their past service.

Officers for the next year were also elected. Benjamin Butts was elected President, succeeding Marion Wright, who received an ovation for his two years of tireless effort. Other officers elected were George Bentley, Vice President, Gail Madsen, Secretary and Dave Lemmen, re-elected as Treasurer.

Bob Andrus and Paul Mesack will continue to serve as project chairman. Other appointments will be made, with board approval, by incoming president Ben Butts at the next meeting, July 24, 1982.

Your Week Ahead Horoscope
Forecast Period: 7/11 - 7/17/82

- ARIES** Mar. 21-Apr. 19 An over-aggressive attitude on your part causes hard feelings. Seventh house Mars is bringing pressure to bear. Ease up.
- TAURUS** Apr. 20-May 20 This is a very energetic period for you, enabling you to do twice the work in half the time. Go easy on yourself.
- GEMINI** May 21-June 20 Be sensitive to the needs of partner. Impulsive actions increase the likelihood of accident or injury.
- CANCER** June 21-July 22 Maintain a relaxed and considerate attitude in family relationships. Control the tendency to tear into everyone and everything.
- LEO** July 23-Aug. 22 You may find yourself involved in some rather heated discussions in your eager search for information.
- VIRGO** Aug. 23-Sept. 22 Using a rather dynamic approach in handling a business deal results in a nice financial gain.
- LIBRA** Sept. 23-Oct. 22 Planetary patterns introduce a period of greater self assertion and strong physical activity - in work and in play.
- SCORPIO** Oct. 23-Nov. 21 This week should be a favorable time for working with one who is confined. Activities may be carried on secretly.
- SAGITTARIUS** Nov. 22-Dec. 21 Friends seem to be very enthusiastic about pushing you into action. They are pretty good at spending your time.
- CAPRICORN** Dec. 22-Jan. 19 Put more energy into your work. Look for new ways of expressing your talents. Advancement is likely.
- AQUARIUS** Jan. 20-Feb. 18 You may find yourself being drawn, reluctantly, into a fracas. Best course of action is to remain silent.
- PISCES** Feb. 19-Mar. 20 Separation from an old friend is likely. Your help in a puzzling financial matter is appreciated.

It's your return that counts!

Old Business

Mayor Thompson opened the Public Hearing on Industrial Development District No. 3. Mr. Morford detailed this area and explained some of the provisions of PA 198 of 1974. Mr. Huff of Milltown Tool, Inc. said that apparently there was some misunderstanding on their part as to how such a District is established. He was informed that the District must be established before an application for tax abatement can be received and acted upon. Mr. Sabin asked Mr. Huff if someone had told him or his partner that if they built in the Industrial Park that they would automatically get a tax abatement. He replied that that was not the case. Mr. Thompson declared the Public Hearing closed.

Motion by Golnick, supported by Sloan that

WHEREAS, MILLTOWN TOOL & ENGINEERING has requested the City Council to establish an Industrial Development District under the provisions of Act 198 of the Public Acts of Michigan of 1974, as amended;

AS WHEREAS, notice of hearing on said request was published in the Crawford County Avalanche on June 24, 1982.

AND WHEREAS, notice of said hearing was sent by certified mail, return receipt requested to all owners of the real estate hereinafter described, all on June 18, 1982:

AND WHEREAS, said hearing was held before the Grayling City Council on Monday, June 28, 1982 at 8:00 p.m.

AND WHEREAS, said Act 198 of the Public Acts of Michigan of 1974, as amended, provides that a local government unit, by resolution of its legislative body, may establish an Industrial Development District.

AND WHEREAS, the City of Grayling qualifies by levies of ad valorem taxes at a rate which, when taken together with the rates of ad valorem taxes levied by other taxing authority which levies taxes within the City of Grayling, equals or exceeds \$30.00 for each \$1,000.00 of state equalized valuation;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. In accordance with the requirements of Section 4 (4) of Act 198 of the Public Acts of Michigan of 1974, as amended, the City Council of the City of Grayling hereby finds and determines that the property comprising not less than 50% of the state equalized valuation of the industrial property within the district, hereinafter set forth, is obsolete or vacant.

2. In accordance with the provisions of Act 198 of the Public Acts of Michigan of 1974, as amended (Plant Rehabilitation and Industrial Development Districts Act) an Industrial Development District is hereby established which is legally described as follows:

Lots 1-18 inclusive of the Plat of Grayling Industrial Park, part of W^{1/2}, Sec. 17 T26N, R3W City of Grayling.

3. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same are hereby rescinded.

Ayes: Councilmen Golnick, Thompson, Sloan, Sabin, Latuszek.

Nays: Councilmen -0

Absent: Councilmen -0

RESOLUTION DECLARED ADOPTED.

Discussion of Water and Sewer rates took place. The City Manager presented two memos from the City Treasurer relating the increasing costs which have taken place over the last few years. He discussed with Council the reasons for the rate changes and the method used in determining what they should be.

Motion by Golnick, supported by Latuszek that the following Water/Sewer rate schedule become effective October 1, 1982.

Minimum Bill, 12,000 Gallons \$19.56
Cost Per 1,000 Gallons

	Water	Sewer	
First 100,000 Gallons	.73	.90	\$1.63
Next 900,000 Gallons	.61	.75	1.36
Over 1,000,000 Gallons	.57	.69	1.26

Ayes: 5, Nays: 0, Absent: 0, motion carried.

Mr. Morford asked Council what position they took on the proposed tap fee schedule.

Motion by Golnick, supported by Sloan that the proposed tap fee schedule for Water and Sewer be effective 7-1-82.

Water-3/4" Lead \$450.00
1" Lead \$25.00

Over 1" Time and Material
Sewer-4" Lead \$330.00
6" Lead 350.00

Over 6" Time and Material
Ayes: 5, Nays: 0, Absent: 0, motion carried.

A request for City participation in a 60-40 sidewalk reconstruction was presented by the City Manager. The requests were from Herli Moshier for the area in front of the former Hoerl's Decorating. The cost to the City would be approximately \$160.00. The possibility of replacing the sidewalk in front of the

Nickleodeon was also discussed.

Motion by Latuszek, supported by Sloan that the City participate in approximately \$700.00 of sidewalk replacement at the above 2 locations to the extent of 40% of the cost. Ayes: 5, Nays: 0, Absent: 0, motion carried.

The City Manager presented Council with a request that they elect a voting delegate for the M.M.L. Annual Conference.

Motion by Thompson, supported by Latuszek that Robert Golnick be designated as voting delegate and Jerry Morford be designated as alternate to the M.M.L. Annual Conference. Ayes: 5, Nays: 0, Absent: 0, motion carried.

A proposed contract for outside-city water service was presented by the City Manager.

Motion by Thompson, supported by Sabin that the contract with Gaye Lee for outside-city water service be approved as of June 15, 1982. Ayes: 5, Nays: 0, Absent: 0, motion carried.

A request for a re-zoning of part of the former Bear Archery property from "Industrial" to "Highway Commercial" was received from Jack Hull.

Motion by Golnick, supported by Latuszek that a Public Hearing on the request to re-zone the following described property:

Part of the NE^{1/4} of the SW^{1/4} of Section 7 T26N, R3W City of Grayling, Crawford County, Mich. commencing at the intersection of the centerline of Lake St. in the City of Grayling with the centerline of the main track of the Detroit and Mackinaw Railroad. Thence S40°35'W (along the centerline of said Lake St.) 329.4 ft., thence S45°49'E (parallel with said Railroad) 33 ft. to the P.O.B., thence continuing S45°49'E; 278.35 ft. thence S44°07'W; 110.00 ft., thence S8°43'E; 342.53 ft., thence S64°34'W; 271.95 ft., thence N50°14'W; 411.10 ft., thence N39°41'E; 494.70 ft., thence N39°45'E; 110.4 ft. to the P.O.B. from Industrial to Highway Commercial be set for 8:00 p.m. July 26, 1982. Ayes: 4, Nays: 0, Absent: 0, Abstain: 1, Sabin, motion carried.

Reports of Councilmen

Mr. Sabin asked about a small piece of property next to the water tower which Spikes Keg-of-Nails would like to use for snow storage. Mr. Morford and Mr. Sorenson expressed their objections with allowing snow to be piled against the fence around the water tower as the damage would be too great. Mr. Sabin said that he would find out what the bar owner had in mind.

Mr. Thompson asked about patching on Ottawa and Ogema. Mr. Morford said that patching was started there today.

Reports of City Manager. Mr. Morford reported on the following:

Camp Shawono crew and the work they are doing.

Beaver Creek Township vote on August 10, 1982 regarding establishment of a Fire Department. Discussion was general and Mr. Sabin expressed the opinion that the City and Township offer fire protection for one more month. The matter would need to be discussed with Mr. Fowler. Mr. Golnick asked if a meeting could be arranged for June 29th with Mr. Fowler and Chief Doremire for protection for the month of July if payment is made in advance. Mr. Morford asked if the Council is talking about one month or more than that. Council's opinion was that they are talking about one month only if payment is made in advance.

Other sidewalk repair which is needed.

Inquiry from City of West Branch to rent the street sweeper. Council agreed with the City Manager that we should provide only emergency equipment and that the sweeper would not be considered as such.

Newspaper article regarding Crawford County Transit Authority.

Newspaper article regarding Summer Tax collection.

Adjournment.

Motion by Sabin, supported by Golnick that the meeting be adjourned. Ayes: 5, Nays: 0, Absent: 0, motion carried. The meeting was adjourned at 9:08 p.m.

Par For The Course

By Fay Bovee
Tom LaMotte has joined the ranks of the exclusive Hole-in-One club. While playing with Ken and Mabel Gothro on Monday, June 21, Tom ached the eighth hole, putting the Pinnacle in with his 7-iron. He topped the round off by shooting a 34. Congratulations Tom!

A special note to the Wednesday morning women - if you are not going to be there, and your flight is serving, please see that your food is there or else trade with someone in another flight.

Shirley Bendig and Mabel Gothro tied for low in Flight A with a 45 on Wednesday, June 30. Mabel also had low net of 31 and had a bird on No. 8. Betty Layman had only 13 putts and Babe Aderente had a bird on No. 8 and Shirley Bendig had one on No. 4. Jeanne Thompson did well in Flight B with a 50, low net of 33, low putts of 14, and she chipped in on No. 1. Also having 14 putts was Clara Beaufait and Barb Hazen. Donna Pottorff chipped in on No. 8 and had a bird on No. 3. Clara Beaufait chipped in on No. 8 giving her a bird on that hole. Flight C was won by Faith Stripe with a 54 and net of 33 which she tied with Pat McLaughlin, and Marian Joseph dropped in only 15 putts.

We don't know who gets the credit for the new tee markers, but it showed a bit of creativity and is in keeping with the pine trees in our area - what interesting markers made from a slice of a log!

The Sunday Couples Golf Party held on June 25 drew 36 couples to play golf and enjoy the evening dinner.

Scrambles was played with the winning team of Charlie and Liz Vajda and Carl and Gloria Nielsen coming in with a 31. Two more teams came in with a

32, but the luck of the draw fell to Bernard and Donna Pottorff and Bill and Pat Ruddy. The losers in the draw were Tom and Ann LaMotte and Ron and Nora Fraser. Other prizes given were closest to the pin on No. 1 for Melvin Nielson, closest to the pin on the second shot on No. 6 for Dick DuBois, the longest drive on No. 5 for Carol Thompson and the closest to the pin on No. 8 for Liz Vajda.

Ab and Evelyn Sager were the lucky winners of the \$25 worth of groceries at Glen's for the first door prize and Arnie Mauren won the second door prize of \$15.

Following play and the social hour, everyone grilled their own steaks and the club waitresses had fixed the rest of the trimmings for the dinner.

Everyone enjoyed themselves and thank the committee of Ken and Irene Wyman, Arnie and Bernie Mauren, Ralph and Dorothy Kaseman, and Jean and Barney Dopp.

The next scheduled Sunday party is July 18. Watch the bulletin for the sign-up sheet.

With the onset of the summer season, the interpretive program is being activated and several projects will be put on the back burner until fall. One project I much wanted to finish before summer was the rebuilding of the wagon wheel I mentioned a few articles back. The hub was the critical part since an iron cone had to be let into its center. Without a suitable lathe, the project was given to one of our other divisions with no time limit or delivery date imposed. I am quite sure I will have the hub in hand before summer's end and will thus be able to finish the wheel as intended.

As a reminder to those of you who will have company for a weekend this summer, keep in mind I will be conducting guided hikes through the Pines five days a week and on some weekends at 1:00 in the afternoon. You might wish to call ahead to check the schedule. While a guided hike is a leisurely two hours of walking, standing and sitting, it is also a journey into our historical heritage. For many a visit to the Tall Timber is a pleasant way to spend an afternoon.

Beautification Committee

Dear Community Member:

This open letter is designed as an introduction to the Beautification Committee of Grayling. This Committee is composed of interested citizens of the Grayling area and was started by the City of Grayling. Its function is to promote and provide ideas and services which physically improve our Community's appearance and help to gain much needed pride.

Though the group is quickly growing and is active, we need your help! If our Committee is to succeed, we need the support of not only each and every merchant, but of each and every resident as well.

Pride is what is first: needed for success and pride starts at home. Sweeping, raking, cleaning, mowing, and sprucing up are just a few of the things that you, as an individual, can do to help start our "pride drive".

With your help, along with our committee efforts to plant flowers, keep up the medians, put out trash bins, and other projects, we can and we will beautify Grayling. Please help us in our efforts - we'll all benefit.

RSVP Reports

By Sherry Haag
Director

Welcome to news of the Retired Senior Volunteer Program. On June 25, 1982, I attended a one day workshop in Lansing. The workshop was sponsored by ACTION in co-operation with Michigan State University Center for Urban Affairs and the Michigan Office of Services to the Aging. Robert Sheehan, from Michigan's Economics for Human Development offices spoke at the morning session. He explained how due to current economic conditions-human

needs are increasing but human services are decreasing due to budgetary cuts & dollar losses in Michigan and all over the U.S. He stressed his belief that human needs services would always be needed and that new means of dealing with the losses in revenues would have to be met. Increased use of volunteers in all areas will become a very important source for all agencies trying to meet these needs of the population.

Eric Berry, from Office of Services to the Aging in Mich., also spoke at the morning session. Mr. Berry stressed Michigan's commitment to seniors and senior services. ACTION programs including RSVP, FGP and SCP would continue to receive the same funding as fiscal yr. '82. RSVP receives \$50,000 per year from the OSA for assistance in meeting transportation costs. This amount is divided equally among all 15 RSVP projects in the state.

The afternoon session had Dr. Laurence Davenport as featured speaker. Dr. Davenport is Associate Director, Domestic and Anti-Poverty Programs in Washington, D.C. Dr. Davenport thanked all the directors present for the fine job being done by volunteers in helping to "pick up the slack" in programs being cut. He stressed how ACTION offices in D.C. and over the states were streamlining (cutting staff, travel expenses, etc) to make sure funding levels would stay the same for all projects. He also stated "this administration is committed to volunteers and senior programs and will do everything to keep them serving the needs of the general population as well as giving the volunteers a feeling of worth and the opportunity to use the skills and talents they have and have learned over years of practical experience." Dr. Davenport expressed his belief that seniors must be aware of changes being made and voice their opinion thru voting and making sure representatives and congressmen know how they feel about the important issues facing the country.

In Crawford County, senior volunteers are participating in all areas of human needs services. If you would like to help, please call the RSVP office at 348-4341 or 348-8322 for information on how you can help.

Editor's Mailbox

To The Editor,
I don't know if Mr. Moshier is confused, uninformed or deliberately manipulating figures and distorting facts to boost his latest candidacy. Regard-

latest candidacy. Regardless of his motivation, his latest "The Facts Are In" letter about the county phone system is just plain gibberish.

First, his "research" indicated the new phone system cost the county \$32,353.33 from July 1, 1981 through June 30, 1982. An interesting conclusion since the system wasn't even installed until November 1981, and wasn't reflected on billings until December 1981. His bookkeeping has the County paying for the system for five months before it existed!

Next he tackled on the one-time charge for installation of equipment as if it would be an ongoing cost - further inflating his figures. Then he failed to DEDUCT from the bills the monies paid to the county by agencies who are on the system and reimburse us their share of the monthly cost. Further, he implied that the person running the switchboard was hired for that job only, when the fact is the switchboard represents only a portion of her duties. To that he added an alternate operator's wages when no alternate operator exists. Switchboard backup has always been provided by existing personnel at no added cost. I could go on, but I think I've made my point.

The fact is that Crawford County, like Oscoda and Otsego Counties, the schools, hospital, banks, military and industries in the area have all done detailed studies on the merits of a central phone system and come to the same conclusion. Install it! And you can bet they didn't

do it so they could triple their costs, as Mr. Moshier suggests.

You'll be informed no doubt that I run the county switchboard, and this letter may be made to appear self serving. It isn't intended to be. I'm not threatened and I'm not seeking public office. I am, however, a taxpayer, a voter and a citizen; and I think blatant misinformation thrown out for public consumption is insulting and dangerous. I resent it. And with the August Primary only five weeks away, I'm afraid this may be only the beginning.

Lovells Dance Club Elects New Officers

The Swinging L's Square Dance Club have elected new officers for the year. Mr. and Mrs. Darrell Belhke have assumed the presidency, Alvin Grewe and Mrs. Terry Hunt, the vice-presidency. Mr. and Mrs. Ed Costello take on the duties of secretary, and Mr. and Mrs. Ed Mullin are the treasurers.

The club will soon be celebrating their first anniversary. The enthusiasm and interest in this great recreational outlet is still keen and growing. Two couples, the Belhkes and Mr. and Mrs. Henry Kollinger attended the National Square Dance Convention in Detroit. A national caller, Marge Richardson, a house guest of Mr. and Mrs. Bob Hartwig, called a Contra at the last club dance.

The club dances are held at the Lovells Township Hall, the 2nd and 4th Thursday of the month, at 7:30 p.m., Steve Blust, caller.

Senior Citizen Homemaker Services

Who are the friendly visitors?

They are men, women & young people who wholeheartedly & sincerely give their time, energy and devotion to lonely older persons without thought of personal gain or reward. Their reward is knowing that they have brought happiness to someone that probably won't see anyone until your next visit.

What are friendly visitors?

Friendly Visitors come from many races. They are red & yellow, black & white. They are precious in the heart of these Friendly Visitors. They are from widely varying cultural backgrounds, faiths & social economic levels. They all have a common goal - to be pleasant, cheerful, kind and understanding. Anyone can be enrolled in this Volunteer Program. The Friendly Visitor will be covered by insurance and be reimbursed for miles driven.

R.S.V.P. is a part of the Crawford County Commission on Aging Program, directed by Sherry Haag. To enroll call (348-8322 or 348-9314).

A Model Visitor is pleasant, polite, cheerful, kind & understanding.

The Homemaker Services Program offers light house-keeping and limited transportation to all handicapped Crawford County Senior Citizens 60 years of age or older. This service consists of dusting, vacuuming, meal preparation, washing dishes, light laundry, changing bedding, cleaning kitchen, bathroom, bedroom and living room. The transportation service is limited to the handicapped Senior Citizen who needs groceries, transportation to and from doctors appointments and having prescriptions filled. If you are able to use Dial-A-Ride please do so as it is much less expensive.

If you need the Homemaker Services or know of anyone that does please call the senior citizen center at 348-9314, or drop in and see us at 308 Lawndale. We will be more than happy to help you.

Frederic Alumni

The Frederic Alumni banquet was held Saturday, June 26th at Scheys Country House. Everyone was welcomed by members of the Alumni Association and given "Hello" Badges and signed the register book. Dues and unpaid dinner tickets were collected by Sec'y-Treas. B. Feldhauser.

A welcome was presented by Pres. Victor Parsons, after which our Chaplain-Mrs. Evalena Allen said "Grace" before we joined the line for our meal of chicken, roast pork, escalloped potatoes, french style green beans, rolls and salad bar, that was all enjoyed by everyone.

The cake decorated in our school colors of orange and black and with a graduation cap, was cut by members of

the class of '25 - Leota Welsh Harrod, and Esther Barber Gibbons, after the oldest class member present, Max Tobin, declined leaving the privilege to the ladies, who were assisted in serving by members of the committee.

Order was called by Pres. Victor Parsons for a short business meeting - no old business on the agenda - so went to new business.

As we had several requests from non-graduates wishing to attend our banquets and to take part in our assoc. - It was presented to the floor by the Pres. for a vote with the decision being that as we are a "vanishing race", everyone who attended Frederic School should be welcome & become part of our assoc. The Alumni Assoc. Comm. will work out some system & issue membership cards to differentiate from the graduates.

Treas. report given by Sec'y-Trea. B. Feldhauser who first gave a short resume' of the committees activities for the past year and passed on regrets from Mr. and Mrs. Svend Madsen who were unable to attend, and read a letter from Mr. Wm. Beach also unable to attend this year, but both will try for next year.

Library Memorial report given by Helma Post-The Books "Chippewa's of Lake Superior", and "Walk Across America" have been placed in the Frederic Library in honor of Floyd Walde and Alice Arnold King.

Good wishes were extended to Mr. and Mrs. Sanford Charron on their 45th wedding anniversary.

As this was all the business-Pres. Parsons introduced our speaker - Guy Kellogg - Class of '41 who kept us entertained with jokes and happenings of days gone by. Thanks Guy! We really appreciate your help. Special thanks for the "Moment of Silence" for all our deceased members. A special thanks given by Guy, in behalf of all members, to Victor Parsons for donation of the prizes for this year and previous years.

The prizes were then awarded as follows: Relaxing Pillow-1st door prize to Arthur Giffin Class of '41; Tool-2nd door prize-Dale Allen Class of '51; Atlas-farthest distance traveled-to Dorothea Arndt Schaffer-Class of '37 of Southgate, Calif.; Bottle Opener-Oldest class member present-Max Tobin-Class of '22; Pizza cutter-youngest class member present-Margaret Cross, Class of '64.

Also we recognized the class having the most members present - resulting in a tie with the classes of '41 and '34 - each having 5 present. We are trying to improve the attendance record with offering each year free membership cards to all members of any class with all their members present. So friends work on your classmates and get them to come.

A gift was donated by Guy & Doris Kellogg to be kept by the Assoc. Committee for the last two remaining married couples graduates to celebrate at that time. We hope this is way in the future. We have at present 16 married couples graduates, however, sorry to say they aren't all active members.

The evening was turned over to the Band-"Michelle Wicks and Co." of Atlanta and dancing and visiting, and looking at the class pictures which were on display and also other pictures and yearbooks was enjoyed for the balance of the evening.

Hope to see you all next year and wish to thank everyone who helped to make our evening a success.

Bessie M. Feldhauser
Sec'y-Treas.

Important Things

The morning sunlight catches the cascading water and bands it with rainbow colors. The little girl watches, transfixed. Later, if someone asks her how she liked the waterfall, she'll struggle with words. Most of us are inadequate when it comes to describing something important.

The waterfall is very important, not only because it is beautiful but because it shows God's workings in a tangible form. The water

cascades down over rocks, seeking union in the pool at the bottom. In turn, that pool will spill into a brook and the brook will merge with a river and the river with the sea. It's a kind of master plan that is mind-boggling in its scope.

So, the little girl senses a kind of miracle, even if she can't put it into words. No one can be precise about miracles. But the Church can help you to better understand.

Invitation to Bid

Sealed bids are being solicited for the removal, purchase, and installing of approximately 300 square yards of carpeting. Complete specifications may be obtained at the Business Office of Kirtland Community College, Route 4, Box 59-A, Rosecommon, MI 48853. Phone 517-275-5121.

Sealed bids will be accepted in the Business Office until 2 p.m. Thursday, July 19, 1982 where they will be publicly opened and read aloud.

No bidder may withdraw his bid within 30 days after opening thereof. Proposals shall be on bid form furnished by Owner and accomplished by a 5% bid bond (or Certified Check) of amount of proposal submitted and made payable to Kirtland Community College.

The owner reserves the right to waive any informalities or to reject any or all bids.

Strolling Around Town

The Beautification Committee has asked me to appeal to everyone to please mow their lawns, yards, or anyplace that needs it. Please don't feel that just because it is curbside city property it's not your job to do it. You are the city, or township, or whatever. Everything you do to enhance your property, enhances our area as well. Visitors comment on these (as one did to me last week about some run-down and junky places) and the tourist dollar affects all of us. Frankly, it is a prime example of what can be done; the city does not do it, the individual people working as a group have made that name famous.

Bouquets this week to all kinds of things; Matilda Gildner, even with a broken arm, as a pretty a home as ever, the Clark gas station's flowers, lots of beautifully kept lawns and flowers on Old Dam Road, the planting at City Hall, Bob Ruddy's flowers tucked in the rail fence corner, Wes Kumpula's well-kept lawn, Dee Dawson's lawn tucked away in a small area, Gordon Pond's flowers on steps and fence, Beulah Moore and Sam Moss's flowers on the fence line.

Keep it up, Grayling, as one of our newcomers commented - there has been a big improvement!

CARD OF THANKS

The men of the Lovells Fire Department wish to thank each business for their donation and every individual for their donation of food and help. It was a huge success.

Thank you one and all
Lovells Fire Men

Sun Saver Solar Homes

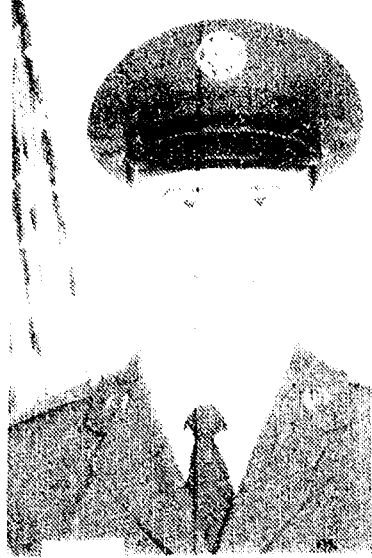

Bill McDonough, Wick Home, Dealer can now prepare a Personal Home Energy Performance Calculation for home buyers interested in Wick Homes' SunSaver solar homes. The computer calculates the projected energy costs and savings before the home is even built.

According to Bill McDonough, the calculations, called 'personal home energy data', are produced by Wick Homes' unique solar computer program. The program analyzes a variety of information provided by the customer. "Home size, shape, geographic location, north/south orientation, shade, local fuel costs, family life style - these and other variables are combined with specific data about home design and weather statistics," reports Bill McDonough. "The computer then issues a month-by-month readout of expected solar heat gain and general heat losses, estimated first year heating costs and a ten year projection of total solar heat value collected."

Ideal for long-term budget forecasting and personal energy conservation planning, the 'solar performance' report not only represents and projects energy costs and savings but also determines which SunSaver home and features will best serve the customer. The computer's projects have been proven to be extremely accurate when compared to actual cost saving results.

For more information on Wick's energy performance report and solar homes in general, contact Bill McDonough 821-5742.

Completes AF Training

Airman Drake D. McClelland, son of Donald F. and M. Joan McClelland of Frederic, has been assigned to Chanute Air Force Base, Ill., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airman who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized instruction in the aircraft maintenance field.

McClelland is a 1979 graduate of Grayling High School.

Flavor

For best flavor from canned vegetables, boil the liquid first until reduced to one-half. Then add vegetables and heat quickly. Do not boil again.

Lovells News

By Ruth Caldwell

Mr. and Mrs. Darrell Behlke enjoyed square dancing at the National Square Dancers Convention at Cobo Hall in Detroit.

Mr. and Mrs. Lorey and family, Shannon, Amber and Dana, spent the 4th with Don and Dusty Bolton after enjoying the Lovells Annual Chicken BBQ, everyone decided to go fishing at Pickerel Lake. Mr. Lorey, fishing for his first time, landed a 3 pound walleye which measured 19 1/2" in length.

Guest at the home of Mr. and Mrs. Wally Leibold were their son and wife, Dr. and Mrs. Walt Leibold and their infant daughter, Nichole, also their son, Cliff and friend, Julie Tyler of Saginaw.

Mrs. Marie Duby enjoyed having several members of her family with her over the holiday.

Mrs. Grace Miller has purchased the home of Mr. and Mrs. Gale DeBoer on Twin Bridge Road. Mr. and Mrs. DeBoer left Wednesday to make their home in Wisconsin. They will be greatly missed by their many friends. We welcome Mrs. Miller to our community.

Mr. and Mrs. Bud Rose of New Haven spent the holidays with their daughter and family. Mr. and Mrs. Darrell Behlke.

Lynn and Mrs. Houseley and Scott Wentz of Bowling Green, Ohio are visiting their grandparents, Mr. and Mrs. Jim Spencer.

Mr. and Mrs. Ed Mullin enjoyed having several members of their family with them over the holidays.

The Home Extension Group, The Cheerful Givers Club and The Lovells Fire Department wish to express their appreciation to all who helped make our 4th of July Celebration a success. Many thanks to the square dancers who entertained.

Mr. and Mrs. George Wingeier enjoyed having their son and family with them over the holidays.

Mr. Wally Butters is a patient at Mercy Hospital. His many friends wish him a speedy recovery.

Guest at the home of Mr. and Mrs. John Campau were their daughters and husbands, Mr. and Mrs. Nelson Spoelman and son of Alaska, Mr. and Mrs. Mac Keller and son from Boyne City; Reverend and Mrs. Jim Campau and family of Ithaca, and their daughter, Jamie Zedick and daughters of Tawas City.

4-H Dimensions

New to 4-H this year is the 4-H Dimensions. Crawford County youths have recently had the opportunity to join youths from Roscommon, Clare, and Ogemaw counties for the purpose of organizing a 4-H Performing Arts Group. Being a member is a great opportunity for young people to use their creative and artistic skills and meet new friends from other counties.

The group has participated in eight workshops since February, throughout the four county area. On June 18th and 19th they attended an overnight workshop at Michelson Memorial United Methodist Church. The purpose of this two day session was to bring together all the skills learned at previous workshops, and to put the finishing touch on the show they will be presenting to the public.

The group will be performing throughout the four county area this summer. On July 24 they will appear at the Crawford County 4-H Achievement Day as a part of The Milltown Activities. This fantastic group of youths have worked very hard putting together a show that promises to be of top quality.

Coordinators working with them are Marjorie Olsen, Grayling, Glen Painter, Rose City, Penny Alburg, Farwell, and Jan Johnston, of Clare. Youths from Crawford County are Missy Burrell, Nicole L. Weaver, Teaine Sanderson, Maria Stephan, Wanda Barclay.

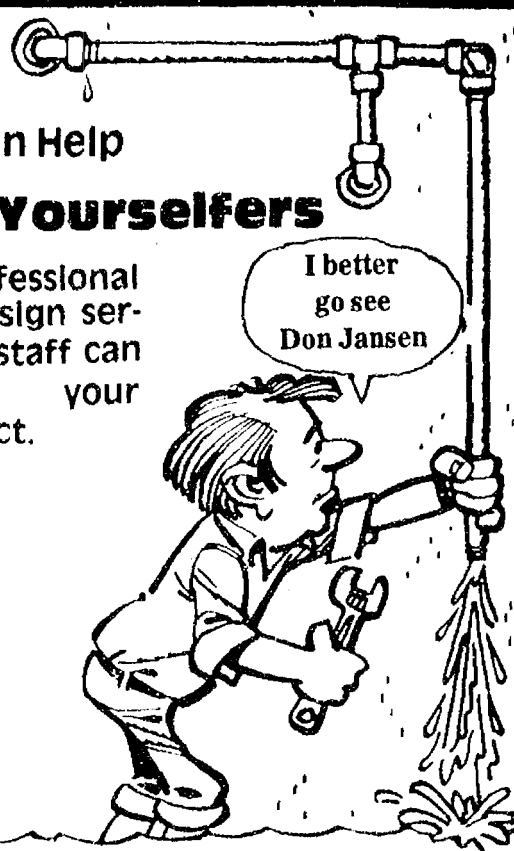

Don't miss the 4-H Dimensions!

Michigan Shriners Need Your Help!

To Help Crippled Children
Throughout the State

"No man ever stood so straight as when he bent over to lift up a little child"

Michigan Shriners sent 50 Children for treatment to the Chicago Crippled Children's Hospital in 1981 at no cost to the parents, thru your generous donations. **Thank You.**
